Surviving Hood Canal: Science and Solutions to Support Steelhead Survival December 1st @ 6:30pm

Shaara Ainsley is the Senior Project Manager at Long Live the Kings. Long Live the Kings has been investigating why up to 50% of the young steelhead who reach Hood Canal Bridge are dying. Shaara will present on the resulting discoveries and potential solutions. The effort to resolve this significant challenge to steelhead migration is a collaborative assessment facilitated by Long Live the Kings in partnership with the Hood Canal Coordinating Council, tribal governments, and local, state, and federal agencies.
