## Sanctuary and Recovery of Wolves

January 4<sup>th</sup> @ 6:30pm

Hear howls and dig into facts about wolves with Danielle Ransier, Education and Outreach Specialist at Wolf Haven International. Since 1982, Wolf Haven has rescued and provided a home for over 300 displaced captive-born wolves and wolfdogs. By empowering people to speak out on behalf of wolves, they can continue their ecological importance in maintaining a balanced ecosystem.
